Subject: **You make dreams come true!**

Leslie,

Thank you so much for your generous donation of \$5000 on February 5th. It is because of you; Atallah is working with a professional writer as a mentor and is well on her way to achieving her dream of becoming a writer. Atallah has always wanted to learn how to express herself with words but her school cannot afford to provide the opportunities for exposure to the arts. Thanks to you she and the other students of The Scribes Program are making their dreams of being published authors a reality.

We invite you to see your donations at work by coming out to the Decatur Book Festival to hear the students of The Scribes Program read from their latest anthology. Please check out www.decaturookfestival.com for more information.

Thank You again for your generosity and for your decision to help the students of Scribes make their dreams come true.

Sincerely,

Sue Gilman
